

RESEARCH SUMMARY FORM

**Marsh Dieback Workshop
February 3-4, 2004 -- Savannah, Georgia**

A sample project summary can be found on the GCRC web site:
<http://www.marsci.uga.edu/coastalcouncil/samplesummary.htm>

Project Title: _____

Contact Name(s): _____

Contact Affiliation/Info: _____

Participating Investigators/Affiliation: _____

Study Initiated: _____ **Anticipated Completion Date:** _____

Funding Source: _____

Study Site Location(s): _____

Keywords (highlight or circle):

Avicennia

Climate

Elevation

Fauna

Greenhouse

Herbivory

Hydrology

Juncus

Mapping

Microbes

Monitoring

Nutrients

Plant tissue analysis

Remote sensing

Restoration

Salinity

Spartina

Photography

Sediment

Soil chemistry

Toxins

Transplants

Water chemistry

Other:

Project Type:

Descriptive

Experimental

Restoration

Modeling

Other _____

Project Outline:

Specific Aims

Methodology

Results to Date

Lessons Learned

Publications, reports, or web-accessible materials
